

The Way

Life is more than self satisfaction. Deep within us humans crave purpose and significance.

Jesus Christ meets this need. He is the Way.

A disciple is a follower of Jesus, the Way. They discover meaning and purpose that bring real life to themselves and others - it's the Way.

The Way leadership development course guarantees to build your life's satisfaction as you follow Jesus Christ. It offers the best activities and research and learning opportunities that will develop you as an effective person. It gives you freedom to learn at your own pace and in the style that best suits you.

Being a part of the Way discipleship could make you into a gentle revolutionary that could transform communities. You will live a significant life and enable others to do the same. The Adventist Movement will be renewed by God using fully devoted disciples of Jesus, like you.
